Portfolio | Kurnool, India | Seeking an AI/ML internship

I build machine learning and generative AI applications, from data and model evaluation to the interfaces people use.

EDUCATION

IIITDM Kurnool 2024-2028

B.Tech in Artificial Intelligence and Data Science

TECHNICAL SKILLS

Languages: Python, SQL, JavaScript, C, C++, C#
AI / ML: PyTorch, scikit-learn, XGBoost, Hugging Face Transformers, NLP, RAG
Web / Data: FastAPI, Django REST Framework, React, Streamlit, PostgreSQL, MongoDB, pandas, Git

EXPERIENCE

AI/ML Intern, IBM SkillsBuild Jan 2026

- Built Lecture-Lens: a speech-to-text and summarisation pipeline producing topic notes, formulas, and revision questions; tuned chunk overlap, temperature, and token limits.

Remote | Project repository

AI Intern, Infosys Springboard Jan 2026

- Built a research-paper analysis pipeline to extract methods, formulas, and findings from academic PDFs and produce structured briefs.

Remote | Project repository

Machine Learning Intern, Elevate Labs Nov 2025

- Built SafeSwipe using XGBoost and Local Outlier Factor on imbalanced transaction data; tuned decision thresholds and exposed scores through an API and Streamlit dashboard.

Remote | Project repository

SELECTED PROJECTS

Civility.ai | Case study
- Built text and image classification pipelines and connected a FastAPI inference service to a React moderation dashboard with Team ByteBuilders.

6th of 240+ teams at Agentica 2.0, IIIT Sricity - Mar 2026

SafeSwipe | Case study | Code
- Combined supervised fraud classification with unsupervised anomaly detection, with precision-focused evaluation and threshold tuning.

XGBoost, Scikit-Learn, Local Outlier Factor, Streamlit

Scholarium | Case study | Code
- Built a React and Django adaptive-learning platform with DAG roadmaps, assessments, JWT authentication, and PostgreSQL/MongoDB storage. Integrated Gemini generation, Claude fallback, and response caching.

React 18, Django REST Framework, React Flow, PostgreSQL

LEADERSHIP

Treasurer, NSS - budget planning, fund allocation, and expense accounting.
Coordinator, Novella - reading circles, reviews, and literary events. Both since 2025.
